Harvard EHS and Campus Services Procurement review and approve qualified vendors and Licensed Site Professionals (LSP).

Unless otherwise specified, qualified vendors have university-wide Master Services Agreements (MSA) with Harvard. Contact your school’s or business unit’s procurement department for MSAs.

Qualified vendors must complete these requirements to remain in good standing with Harvard:

- Comply with their MSA’s terms, including maintaining and updating their membership and registration with [Highwire](#).
- Execute contracted services per their MSA:
 - In a professional manner and in compliance with all local, state, and federal regulations.
 - Following applicable Harvard guidelines (including the [Service Contractor Safety Guide](#) and [Construction Safety Standard](#)).
- Provide quotes for work requested by each school or department under the central MSA. Quotes must provide Harvard’s preferred pricing or better.

Supplier Diversity

Harvard seeks to create a climate that encourages minority, women-owned, and small businesses to compete for Harvard’s business, and it strives to eliminate potential obstacles to small business participation in Harvard purchasing activities. Learn more about the [Office for Economic Inclusion and Diversity](#).

Business Type Acronym	Definition
DOB	Disability-owned business
MBE	Minority-owned business
SBE	Small business enterprise
VOB	Veteran-owned business
WBE	Women-owned business enterprise
