

COMPETENT PERSON IDENTIFICATION FORM

Each company is required to have a comprehensive safety and health program that provides for frequent and regular inspections of various work areas, as applicable, by a designated competent person.

The following person(s), as applicable, will represent _____ Print Name of Company _____ as the competent person(s), as defined by the Occupational Safety and Health Administration (OSHA) regulation 29 CFR 1926.32 (f).

The “Competent Person” means one who is capable of identifying existing and predictable hazards in the surroundings or working conditions which are unsanitary, hazardous, or dangerous to employees **and who has the “Authority” to take prompt corrective measures to eliminate them.**
